Are you getting the most out of your officiating? Keeping up to date with rule changes and interpretations can be a task in itself.

The Officials Admin Page on the YBL website has all the important resources in one place. There is a link at the top of every web page across the YBL site.

You can find PDF documents and guidance booklets for the current season, including:

- The current official YBL scoresheet,
- The Help Sheet for timekeeper and scorer,
- The current tariff for official's payment,
- Receipt (single and multiple game formats),
- Getting Ready for Your Game (referee guidance document)
- Area's of Responsibility for both 2PO and 3PO,
- Individual Officiating Techniques (for both table officials and referees)
- The current table official manual and
- Game Regulations for all playing divisions for this season.

We are looking at a crib sheet for the official's pre-game. Just so you don't miss anything out when you're performing yours!

Level 2 Referee Course - January 2023

Clubs and teams are continually growing, which helps basketball move in the right direction. This results in more games. Good for the players, difficult for clubs as there are too few referees around!

Why don't you develop your skills, help the players and your club and complete a Level 2 Referee course. There are still spaces left!

This course, aimed at current level 1 referees and people with exciting basketball knowledge, will give you insight in 'how to blow a whistle' and the rules of the game. I'm sure you would learn something new.

You can register on the YBL website, on the Courses & Events page, or by scanning the QR code above. Any questions, speak with Kevin or James.

Tamworth Tigers Sun 27 Nov 2022 Yardley Defenders

The Tigers were excited to host the Defenders at their new home - Landau Forte Academy QEMS.

The game started evenly with both teams scoring points early. After 5 mins the Tigers coach adjusted the defence and stopped the Defenders from getting to the rim. The Tigers continued to score well, winning the first quarter 25-12.

The Tigers extended their lead in the second and third quarters and soon had to revert to half court defence due to a 20-point lead. Oliver Zawadowski (Tigers' MVP) controlled both ends of the court in terms of rebound and had a couple of hook shots reminiscent of Kareem Abdul-Jabbar.

The Defenders best player No. 25 played the whole game and tirelessly drove hard to the rim. They won the fourth quarter 11-9 but the difference was too much to make up. Game finished Tigers 57 Defenders 38.
