## IN BRIEF

U9 CVL Group B saw their second round games come to a nice conclusion with no change to the league standings with only three points between first and fourth position.

Extremely nice game of basketball took place at Team Wolverhampton SLAM when they hosted newcomers Babbs Mill Blazers in their second clash of the season.

U13 West division's games becoming more intense, with some teams playing this weekend, the top of the table is bringing mixed results. Highlighted by a ten point win for Shrewsbury Storm Lightning over Shropshire Warriors.

Worcester Wolves White continue their winning streak with a win over Redditch this week. But can they finish top of the table by beating top spot Bromsgrove School on their return clash?

Birmingham Mets remain undefeated at the top of Men1.

Shrewsbury Storm and Shropshire Warriors have big weekend of games!

Two U11 CVL groups teams meet this weekend while a third meet next, bringing them all to two complete CVLs ahead of the Christmas break.

Bromsgrove Bears, Shropshire Warriors and West Brom Basketball play their first match in the Men3 division this weekend.
