WE'RE ON! Still on for January Opening Weekend

Due to the announcements this week from the Government and the update on their website from Wednesday 2 December we are moving back into tier restrictions.

We are still awaiting official confirmation from Basketball England who are working with Sports England and the Government to provide us all clear guidance. We have spoken directly with Basketball England and anticipate an announcement early next week.

On Saturday 28 November, the Board of Directors met to discuss our options for the season. Until then please bear with us, don't rearrange any of your fixtures as we are looking at implementing a new structure to promote 'league bubbles'.

Look out for the updates from the YBL dropping into your email box and across all our social media and of course on our website next weekend.

I would like to thank everyone for their patience while we get clarification from Basketball England and the Minister of Sport regarding the return to play.

Change of dates for your diary.
