Good Practice within the YBL

Arrival Time

To arrive at least 30 minutes before the scheduled tip for any YBL game. 1 hour for any NBL game.

Correct clothing

Make sure that you are correctly attired for your game. The current YBL table top or NBL top, with black trousers/skirt and black shoes.

Choosing the right scorebook

The YBL use either the Traditional YBL scoresheet or BE Traditional scoresheet for all their games, we don't like running scoresheets, as we cannot collect statistics for players from this. Basketball England request that all NBL games are done on a running scoresheet.
