As the regular season draws to a close, we enclose within this booklet the various play-offs organised by the YBL for the season and the potential paths for teams.

The dates for the play-offs were published and included in the fixtures sent in July 2024.

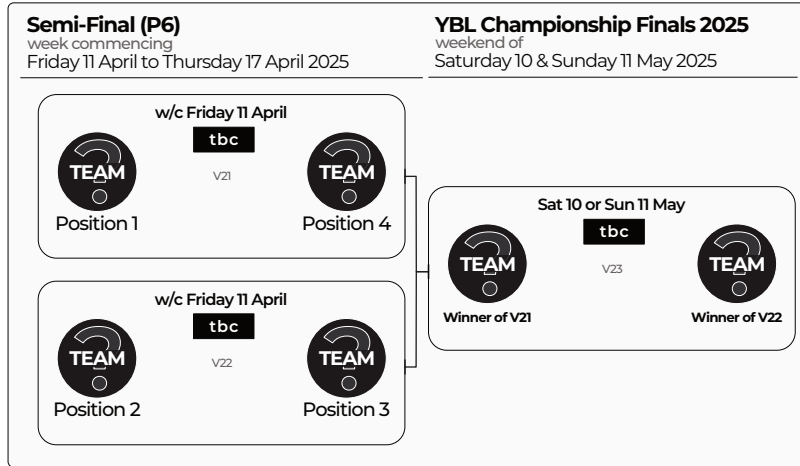

Each team seeded or due to host will be expected to play their fixture on or before that playoff week's deadline. If you are unable to host, then the option will go to the visiting team.

You can move your fixture forward if you wish (using the Game Form, at no charge). If no other option is available, the YBL will conduct a review and prescribe an outcome of the fixture.

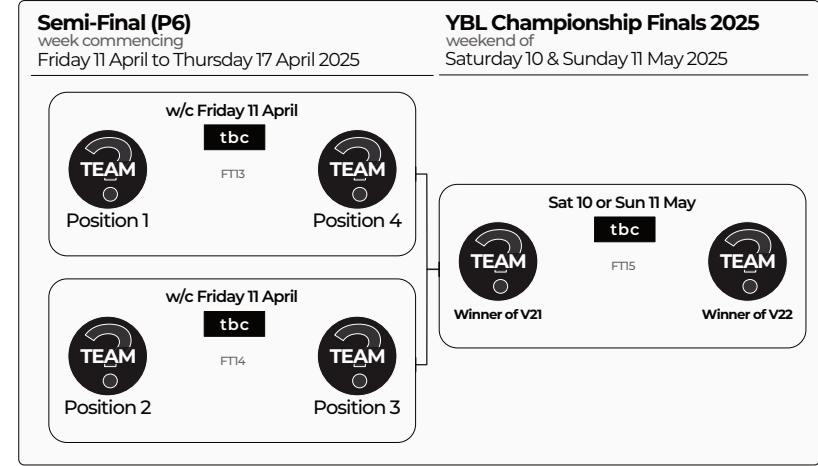

Where 'seeded' or 'ranked' is referenced, teams will be ranked by their respective regular season win percentage. If two or more teams are tied by win percentage, if the head-to-head results are possible from the regular season, the head-to-head will be used for those teams. If this isn't possible, or is equal, then average basket difference played in their respective division will be used.
