version 2.0

The Forthcoming Season

Are you ready to go?

Welcome to the YBL

Are you prepared?

Are you registered/licensed?

Your club needs to be registered with Basketball England (BE), to be able to participate in the YBL. When your club does register for the first time, you'll get a CA code. That is to identify your club with BE.

All participants must be affiliated to Basketball England, as a club (CA) or as an individual member ('A') and apply for a licence that reflects the role they will be fulfilling for the season, player, coach, referee for example.

Use the check list

The check list on the next page will help your club and teams make sure they have everything ready for the forthcoming season.

Link to the YBL

All clubs participating within the YBL should affiliate their club to the YBL. That way our compliance director can check all licences, if any issues arise.

Within your club portal, you can create teams and place your coaches and players within those teams.

Players, coaches and officials at your club should link their personal portal to your club.

More information about current rules around registration can be found in the Game Regulations booklet, which can be found in the Club Admin Page on the YBL website.

Affiliated Leagues

APPLIES TO ALL OFFICIATING LICENCES
(REFEREE, TABLE OFFICIAL, STATS)

The Check List

We are...

Registered as a club with Basketball England and have a 'CA' code from BE? My club and all of the participating teams, and their members are linked to the YBL.

All my coaches (C), players (LP) and bench (team manager/game day) (B) all have a full 'green' licence and are ready to participate?

Overall Staffing & Costs

You have key positions filled within your club; e.g. chair/director, secretary, treasurer, welfare/safeguarding officer, first aid and coaches?

There are coaching staff, qualified at the correct level, with a DBS, Safeguarding Certificate (BE approved) and a SG1 or SG2 Form registered and licensed with Basketball England?

Having a home venue for games and training sessions, and have budgeted for them throughout the season.

Knowing these is a cost for officials, which are paid for in full by the home team, referee and table officials (at least x4 officials per-game). *Tariffs & Payments Thresholds on the YBL website.*

For each game

You have confirmed at least seven days before, your opponents attendance and...

The venue is confirmed and confirmed the venue with your opponent?

Your kit colour is decided and you will not clash with your opponent?

Your tip time is confirmed, as on the YBL website, and confirmed with your opponent?

I have booked two referees and two table officials for my home fixture?

I have the correct table equipment for my game? [*Scoresheet, electronic scoreboard, pressure (air) horn for the table, foul markers (1-5 & GD), directional arrow and team foul markers (cones)*]

I have designated and confirmed with my opponent, the game day delegate (GDD) for the game? Both teams and all officials to be directed to the GDD upon arrival.

Have an extension lead/cord available?

I have a game quality indoor match ball? (The correct size , league depending).

I have a printed/nearly written or digital Squad List for the table ahead of the game? (*in chronological order*).

I know how to...

Access the game regulations [know the rules for], the playing division I am participating in?

I know how to or where to submit a scoresheet (email or WhatsApp)?

I know how to rearrange or forfeit a fixture using the Game Form?

I know when and how to 'sign under protest' and the rules that accompany this?

I know how and to whom to raise a concern or complaint regarding the YBL?

I know that it is the clubs responsibility to...

Make sure that the Club Secretary contact information is up-to-date. This is where ALL correspondence goes to from the YBL.

Make sure that the information in the Club Handbook and on my ClubPage is up-to-date. This is how clubs contact you.
