YBL Championships 2026

Instruction notes, important dates and explanations

Each team due to host will be expected to play their fixture on or before that playoff week's deadline. If you are unable to host, then the option will go to the visiting team. If neither team can decide then this will go to the YBL Competitions Team for arbitration.

You can move your fixture forward, if you both agree, by using the Game Request function in PlayHQ. However, must be played by the week's end as displayed within your divisional page or before the next round commences, if this doesn't effect the following round.

If you are not live scoring, please see sidebar for requirements, and scoresheets must be sent in on the day of the fixture. Failure to do so may result in loss of game.

All Championship Finals will be live scored, therefore, all squad lists with eligible players, bench and coaches must be inside your squad list at least 25 hours before your final's game tip (inside PlayHQ).

All Championship games will be held at Bromsgrove School (address listed in sidebar and inside PlayHQ).
