Officials 2026

League Requirements & Payments

ALL COMPETITIONS & DIVISIONS UNDER THE YBL

Welcome to Officials 2026

League Requirements & Payments for our competitions in the 2026/2027 Season.

The YBL follows Basketball England regulations for officials, including having at least two table officials and two referees per-game.

These fees set out in this booklet are the standard requirement unless communicated and agreed upon with the paying club prior to the game.

Our fees match the scale set by Basketball England.

Officials will not request to officiate on their own.

Level 1 officials are not permitted to officiate on their own.

If the club choose to use a 3PO table or referee the game fee or the maximum claim for each official do not change, unless agreed upon by the official and club prior to the game.

Neutrality (BE Rule 41) - Basketball England rules state that the crew chief must be a neutral L2+ official. The YBL acknowledge that this may not always be possible. If an in-house official is appointed, it must be with the prior agreement of the opposition. Senior divisions must have two neutral officials, unless agreed by both teams. BE rules state a recommend minimum requirement for each fixture is two referees and table officials.

Payment of officials - It is the responsibility of the home club to pay all officials. A payment guide can be found within the YBL Official's Section on the website and in this booklet.

Appointment of Official's - The YBL does not appoint officials for any regular season fixture i.e. home and away fixtures, for any division including seniors, except YBL One. YBL events and tournaments the YBL will appoint officials where appropriate. The YBL Championships and other Finals the YBL will appoint officials.
